Experience

Shelly's Breakfast, Lunch, Diner and Lounge / General Manager and Server

APRIL 2016 - MARCH 2020, BURIEN, WA

Resolved guest and employee complaints to maintain complete customer satisfaction and workforce effectiveness.

Trained incoming staff on restaurant's practices, culture and procedures to maximize job satisfaction and productivity.

Performed complete opening, closing and shift change duties to keep the restaurant working efficiently and our teams ready to meet customer needs.

Shared knowledge of menu items and flavors, enabling customers to make personal decisions based on taste and interest.

Communicated with employees to prepare schedules in a way to maximize morale and keep within projected hours.

Managed payroll and communicated with company accountant.

Memorized menu details and prices to hand write and total tickets for personal sales upwards of \$2,400 per shift.

Fred Hutchinson Cancer Research Center/Hutch Kids / Preschool Teacher

JULY 2015 - JUNE 2016, SEATTLE, WA

Managed eight two-year-olds.

Fostered reasoning and problem solving through active exploration games and activities.

Observed children to identify individuals in need of additional support and developed strategies to improve assistance.

Promoted physical, academic and social development by implementing diverse classroom and

outside activities.

Monitored students' academic, social and emotional progress and recorded in individual files.

Consulted with parents to build and maintain positive support networks and support continuing education strategies.

Gave one-on-one attention to children while maintaining overall focus on the entire group.

Maintained well-controlled classrooms by clearly outlining standards and reinforcing positive behaviors.

Education & Awards

University of Washington/Trinity Schools Full-Time Coding Bootcamp /

Web Developer Accreditation

JUNE 2020 - SEPTEMBER 2020, SEATTLE/REMOTE

After being abruptly laid off as a result of the pandemic response, I made the choice to invest in my future and further my education in Web Development. After this intensive program, I feel confident in my abilities to produce a full-stack application and learn new technologies rapidly in a fast-paced environment.

University of Washington / B.A. Psychology

SEPTEMBER 2009 - OCTOBER 2013, SEATTLE, WA

Recipient of Husky Promise Scholarship

Dean's List Spring 2010 and Winter 2012
